Hello! I got your Discord from Jasper. I'm Cole Robertson, I'm a student at Edison High School enrolled in a program called CIBACS, i do film stuff, yadayadayada thats enough abt me. Basically for CIBACS, it's a business course where we learn the ins and outs of starting a small business and for my senior project, I have decided to write, market, publish and sell a Dungeons and Dragons Supplement Book. It would contain subclasses, magic items, spells, and a one-shot adventure. As a result of this endeavor, I am going to need art commissioned for it and I would love to see if that would be something you would be interested in! What I'd be looking for is different characters, scenes, magic items, and if this is something you would be able to do, backgrounds/landscapes for locations. If this is something you are interested in, please let me know, and also send me some of your personal favorite pieces of your work so I can get an idea of your style. I look forward to keeping in touch :)

Bunny_Cipher — 11/08/2022 11:51 AM

Hello! That honestly sounds like a really cool project and I would absolutely be interested in making art for that! Here is some of my art. I mostly draw characters, but I have been drawing backgrounds more and more as well :)

Cole — 11/08/2022 11:53 AM

oooo i love the style, ill definetely keep in contact. I will get back to you with more details within the next week or two as right now im just gathering people who would be interested in creating art for this.... also im always busy with school. thanks much!!

Cole — 12/05/2022 9:27 PM

hey again! sorry for the really late & delayed update, things have been super difficult and stressful in my personal life which has made it difficult for me to get together a plan for the art i would like to have commissioned. there are a couple of questions that i would like to have answered so i can provide you with the necessary information needed to work on the project in a manner that is the best for you :)

- 1) what would be your commission rate for a full-body character colored? i would like to know specifically how much so i can put aside the money now and make sure i can pay you fairly as ik how much work goes into these projects being a freelance designer myself
- 2) how much creative control would you like on the project? because of the nature of creating dnd characters, it can go any direction for how characters would look artistically. what i need to provide is the class and subclass to provide a general idea for the flavor but other than that i want to leave up to you. i can let you create an oc based upon that prompt and give feedback, i can provide a character description so you can translate that into a piece of art, i can create a mood board to provide you with an idea of what i would be looking for etc.
- 3) about how long does it take you to complete a commissioned piece? this is just to make sure i can create a timeline effectively for the book

last bit of information i'm going to give you for the sake of transparency: obviously this will go into a book that I am going to sell. as per request of the teacher advising this project, it would be necessary to create a contract for the art that will allow me to use, print and sell the art in the

book. i want to make sure that is something you are ok with upfront so i can talk to the teacher about it if any conflicts do arise. let me know if you have any questions an i can't wait to work with you!

Bunny_Cipher — 12/05/2022 10:12 PM

Hey its all good! Stuff happens, I understand.

1. So maybe about 20-25 dollars? Im not totally sure, I haven't really figured out prices before lmao
2. Not fully sure with creative control, I'm personally fine with little creative control or a lot, so I think whatever you'd wanna go for is alright!
3. Could be anywhere from a day to maybe a few days, though I'll make sure to try and make it quick while still putting in my best effort!

And I am 100% okay with a contract as well!

Cole — 12/21/2022 5:08 PM

here is the information

Pyromancer Sorcerer

So your character is going to be a Sorcerer with a subclass called the pyromancer. This one I'm going to be pretty direct on what I want on cause it's based on my dad's dnd character, Lalo the Halfling Sorcerer, so yeah. A drawing he made will be provided that you can use as a baseline hopefully. His personality is a kind hearted person who would do a lot of things to help his friends, usually involving fire or arson. He isn't seen without at least a couple singes on his clothes or burns on his body. A mood board is going to be provided with the link below. If more information would be helpful let me know :) (also please don't share the subclass document link with anyone unless you ask)(also also, if interested in helping testing the content for this book lmk)

Bunny_Cipher — 12/21/2022 5:09 PM

Alright thank you! I'll get working on it as soon as possible!

Bunny_Cipher — 12/21/2022 11:06 PM

hey so I just got a sketch done for your commission, let me know if you want me to change anything at all no matter how big or small, but if you think this is good, I can go ahead and get started on the lineart!

Cole — 12/21/2022 11:47 PM

ooo i really like it! the posing and the little details with burns is great. My biggest note is maybe if you can make the proportions a bit more stumpier? like shorter and wider legs and wider torso. other than that it looks good!

Bunny_Cipher — 12/22/2022 8:36 PM

hello! so I just got done with the lineart for your commission, once again let me know if there are any adjustments you would like me to make before I move onto coloring

also if you have an idea of what you'd like the colors to be, please let me know!

[Line art]

Cole — 12/22/2022 9:19 PM

Maroon for the shirt, grey for the cloak and tan for the pants as the main ones i was thinking

Bunny_Cipher — 12/28/2022 9:27 PM

alright I have finished your commission! hopefully it looks good, if you want me to make any final adjustments I can do that, but once you send the other half I can send you a copy without the watermark and if you'd like I can email it to you so you have a higher quality version!

Cole — 03/06/2023 9:13 AM

Hi again! Sorry for the long delay between messages, things got busy and also had some licensing issues but it's all resolved now! I have 2 more requests if you are able to! Please let me know if you are interested and I will send the information your way!

Bunny_Cipher — 03/06/2023 10:54 AM

Hello! Im glad you got things resolved, and I would definitely be interested!

Cole — 03/06/2023 11:29 AM

sweet! so since i have two i just want to make the process easiest for you. Would you want me to provide you with both descriptions now and half of the payment for both now or just give one at a time?

Bunny_Cipher — 03/06/2023 11:30 AM

Lets do one at a time!

Cole — 03/06/2023 11:30 AM

alrighty!

ok here is #1, the Time Cleric. So the vibes in going for are very all knowing if that makes sense. Race/gender doesn't matter to me. If you can't decide, the race could be human, elf, gnome. I'm thinking of steampunk vibes for clothing with gears as different armor pieces. brunette hair, tan skin. Mace and shield (shield looks like a clock kinda) as weapons and uhh yeah that's the most

i can think of at the moment, mood board provided below. any additional information can be provided, you just need to ask me :) also just sent first payment half for this.

Bunny_Cipher — 03/09/2023 10:14 PM

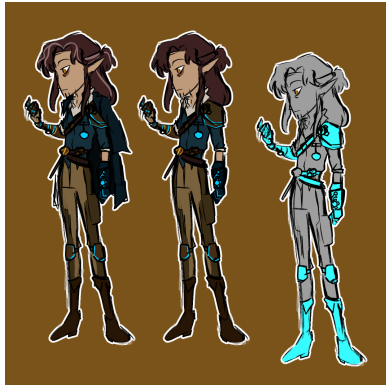

hello! sorry it took a while, but I have a basic concept for a design

I havent drawn the shield yet nor have I designed the mace properly, but here is a basic concept

the sketch with grey and cyan is kind of to show you where more gears and wires would potentially go in the final design

this is more of a basic concept so that I can make any adjustments to the design that you might want and I can make this design fit your vision more

so let me know what you think and I can adjust the design accordingly

Cole — 03/10/2023 10:55 AM

I love the concept so far! i love the little designs and accents on the gloves and little pads, if there are different places to include little knick knacks like that, that would be nice. (boots, necklace, headpiece maybe) other than that its really good:)

Bunny_Cipher — 03/11/2023 10:03 PM

alright so I just got the sketch done, I included a version with the coat if you want that to be in the final art or not, but let me know what you think and I can get started on the lineart whenever!

Cole — 03/11/2023 10:15 PM

Yes keep the coat!! It's rly cool

Bunny_Cipher — 03/17/2023 9:41 AM

hello! so I just got done with your commission, since the colors were already in the basic concept I decided to go ahead and finish it up but here it is! there are two versions depending on which you wanna go with, and if you'd like me to make any adjustments I absolutely can, but other than that, if you're happy with it, go ahead and send me the other half and I can email you your commission without the watermark!

Cole — 03/17/2023 4:11 PM

its so cool :)))) i just sent over the payment and if you can email them to my business's email sunboundstudios@gmail.com that would be appreciated!

Cole — 03/17/2023 5:19 PM

This one is the Unseen Rouge. Race/gender does not matter. Key aesthetic I'm looking for is flowy. Clothing, flowy black clothing that looks like it melds into the shadows. Long dark hair, a shiny dagger that kinda looks like obsidian for the blade section. Moodboard provided below and if any more info is needed I can provide :)

Bunny_Cipher — 03/23/2023 10:29 PM

Hello! sorry it took a bit, I unfortunately was a bit busy, but I do have the basic concept ready! I wasn't sure what I wanted to do for the colors so here are two options, and I included two images with one having a black background to show contrast. If there are any adjustments you'd like me to make just let me know and then I can make those changes to the design!

Cole — 03/24/2023 8:20 AM

Oh man that's a tough one I love the colors on both of them
Let's go with the dark teal one

Bunny_Cipher — 03/26/2023 7:17 PM

hello! I just got the sketch done, hopefully it looks good, but let me know what you think and if theres any adjustments you'd like me to make!

Bunny_Cipher — 04/04/2023 9:31 PM

hello! so I just got your commission done, again sorry about how long it took, if there are any adjustments you'd like me to make just let me know, but if you think its good you can send over the other half of payment and I can email you the version without a watermark!
